

Help Bring Sight to the World This Holiday Season

Volunteers on Call, Inc., a non-profit organization focused on providing volunteer opportunities and meeting the needs of people throughout the world, is partnering with local businesses and organizations to bring sight to the world through our eyeglasses collection.

Join us in collecting eyeglasses for orphans, vulnerable children and those in need in Rwanda and Costa Rica from November 27th, 2005 to January 8th, 2006.

**What do you need to do?
Donate your old prescription eyeglasses.**

We will be collecting glasses, sorting them by prescription with a doctor, and delivering them in person to people in need in Rwanda and Costa Rica in early 2006. While we are in both countries we will work with local eye doctors to fit and give glasses to individuals.

Make a difference in someone's life today, by giving them the gift of sight.

If you have questions please feel free to contact Volunteers On Call, Inc. at 203.555.2222 or info@volunteersoncall.org.
